Overall Site Plan

Necco Street and Melcher Street
Public Realm Improvements
Before & After

BEFORE

AFTER

Necco Street and Melcher Street Public Realm Improvements Construction Plan

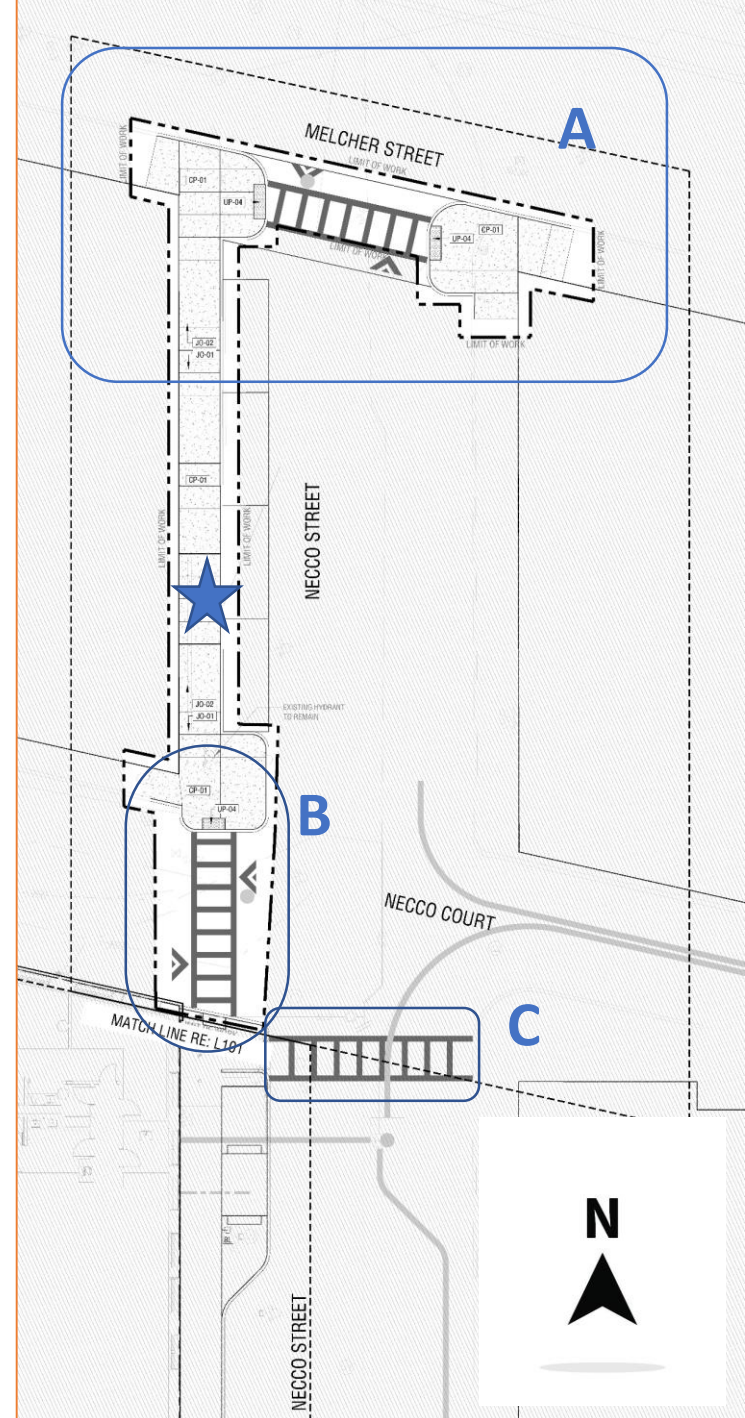

A. The work includes one (1) raised crosswalk on Melcher Street, a public way, and two (2) new ramps.

B. One (1) raised crosswalk on the west side of Necco Street at Necco Court, private ways, and one (1) new ramp.

C. One (1) conventional crosswalk on Necco Street connecting Necco Court east.

★ The work also includes sidewalk repair/replacement on the west side of Necco Street between Melcher Street and Necco Court.

All improvements to be barrier free. This work will complete the accessible route to the waterfront from Summer Street.
