

BCEC Transportation Management Plan

Fan Expo 2023

August 4th thru August 6th, 2023

Event Transportation Amenities

The MCCA Transportation Department plans to offer the following transportation amenities to the attendees of the **Fan Expo 2023**:

1. Self-Parking- Rates are \$25 for regular sized vehicles and \$50 for oversized vehicles, the same rates apply to the accessible parking spaces which are located closest to the building.
2. Overflow Parking- Overflow parking is extremely probable for this event on Saturday and Sunday, and a possibility for Friday as well. In the event the BCEC South lot fills, the MCCA Transportation Department will utilize portable variable message signage, staff, and paper maps to direct attendees to nearby overflow garages. The Lot on D is also expected to fill as many guests are staying at the Aloft and Element Hotels. Overflow lots:
 - Channel Center Garage- 116 W First St, Boston, MA 02127
 - Channelside Lot- 284 A St, Boston, MA 02210
 - Necco Street Garage- 10 Necco St, Boston, MA 02210
 - South Boston Waterfront Transportation Center- 500 D St, Boston, MA 02110 (walking distance)
3. Bicycle Racks – Bicycle racks are located at the front and back of the facility.
4. NO Valet Parking Available for this event- Not available.
5. Taxi Pool – Taxicabs will pick up and drop off attendees on Summer Street, immediately in front of the BCEC. In the event of a severe taxi shortage during the event, the MCCA Transportation Department will put out messages via Twitter and call all dispatch houses to inform drivers and dispatchers of the need for taxis.
6. Transportation Network Companies (TNCs)/Rideshares –The designated pickup and drop-off locations are Claflin St, just off D Street at the Lawn on D & the former valet cutout at NE side next to North Lobby entrance.
7. Transportation Agents – Transportation Agents will be available to ensure safety and provide customer service. They will be located at each attendee entrance and at the taxi pool. These individuals will be wearing yellow uniforms.

Event Transportation Mitigation

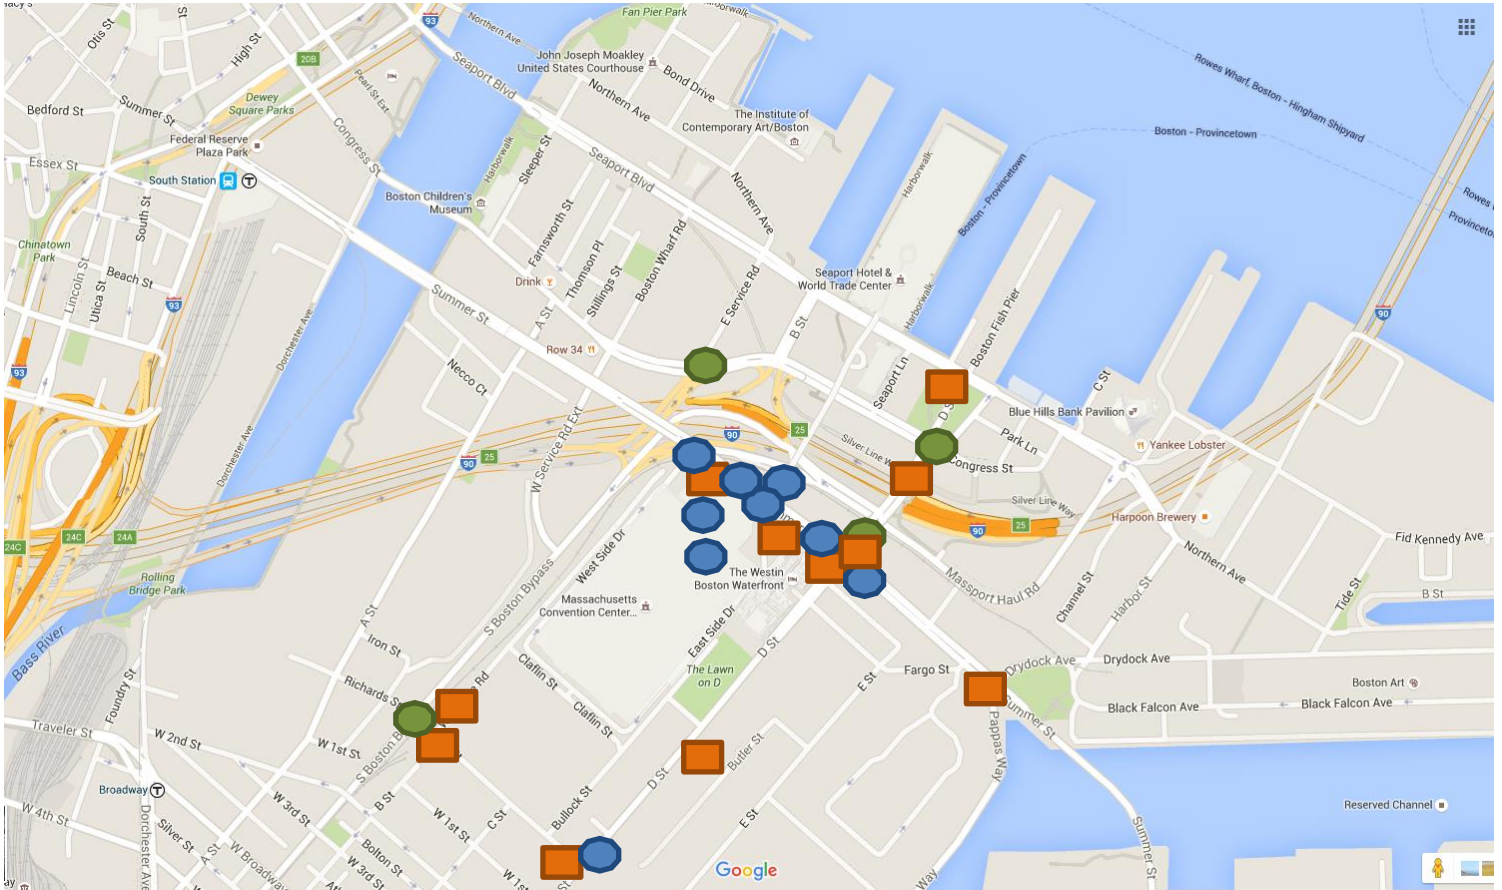

The MCCA Transportation Department will do the following to mitigate traffic around the BCEC and the Waterfront area:

- Use portable variable message signs (PVMS) to guide attendees quickly off the street and into our parking lot. The preliminary locations for these signs will be the following locations for this event (denoted by rectangle in map below). Signs may be relocated as needed. *Please note: The MCCA Transportation Department will seek prior approval from the appropriate parties to put signs at certain locations.*

- Eastside Drive @ Starbucks
 - D Street flyover facing North
 - Summer Street in front of the BCEC facing Downtown
 - South Lot Entrance
 - Cypher Street @ D Street facing West
 - D Street @Lawn on D
 - Summer St @ D Street facing South Boston
 - Cypher Street at South Boston Bypass Road facing East
 -
- Hire police details to help manage traffic outside the BCEC.
 - Work with MCCA Public Safety Department and client staff to ensure that walking attendees do not block BCEC roadways or interfere with traffic mitigation.
 - Promote the use of public transportation to the BCEC via social media outlets – the Transportation Department will put out information on the BCEC’s plasma screens as well as give out MBTA maps at the Information Booth.
 - Request from MassDOT the use of regional variable message signs (RVMS) on the region’s highways. These signs will help direct attendees quickly to the BCEC from the highways and ease traffic.
 - *The following messages will be used on the signs: 6am-6pm starting Friday 8/4/23 thru Sunday 8/6/23.*
